MEMORANDUM FOR: Director of Central Intelligence

VIA: Deputy Director of Central Intelligence
Executive Director
Director, Office of External Affairs

SUBJECT: Acquisition and Use of Telecommunications
Throughout the U.S. Government

REFERENCE: Memorandum for the Director of Central
Intelligence from the Chairman, Committee on
Government Operations, dated 1 December 1981,
Subject: Acquisition and Use of Telecommunica-
tions Throughout the U.S. Government

The Honorable Jack Brooks, Chairman of the House Committee on Government Operations, is investigating the magnitude of Federal telecommunications and data processing activity. He has asked that we respond to questionnaires. As a result, the Directors of Communications and Data Processing have developed a satisfactory response in conjunction with staff members of the Committee. Attached for your signature is a letter forwarding that response.
